WOULD LIKE TO SEE:

- 1, A picnic table or two (or one sided) for parents to sit and kids to rest.
- 2, A miniature Soccer field with goals and painted lines (instead of the unused soft ball "leftover" backstop)
- 3, The sweet gum tree "thistles" must be timely raked up (~~by~~ by volunteer high schoolers) before tots play soccer or tag.
- 4, Or - get rid of the sweet gum tree.
- 5, tidy up ~~of~~ gravel parking area.
Note: The "left-over-gravel" from a construction activity was simply dumped in a pile and hap-hazardly spread out over the years. 3-4 parallel parking spots would be adequate.

6. KEEP GROVE OF CYPRESS TREES — they perform a valuable service sucking up rain water and not allowing playground to be flooded! KEEP THE GROVE!

7, Perhaps a night-light (area light) (Solar Powered)

I would like a
playground similar
to Wyman Woods Park
in Grandview. That
is my grand kids
favorite playground.
I especially feel they
are safe with the
padding used instead
of mulch.
