About the Project

The Fishinger Road Phase 2 project will enhance Fishinger Road from Riverside Drive (US 33) to approximately 400 ft. west of Mountview Road, where it will connect with the Phase 1 improvement project, to provide a continuation of the roadway and pedestrian improvements associated with the Fishinger Road corridor. Phase 2 of the project will:

- Improve pavement and curb and gutters
- Add sidewalks, shared use path to improve community mobility & connectivity
- Replace existing waterline (all services, side street connections, fire hydrants, etc.)
- Replace street lighting with UA standard pole top street lighting, upgrade to LED
- Replace traffic poles and signal at Kioka Avenue

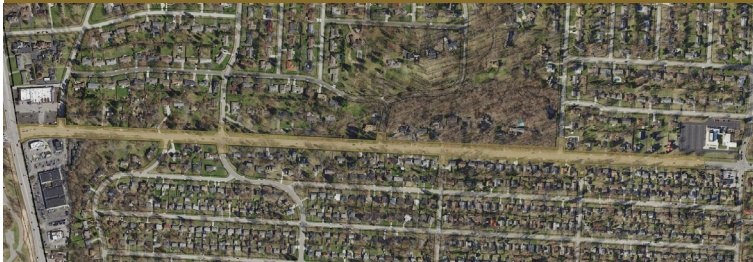

City Engineering staff, Assistant City Manager and design project team will be on hand to help answer your questions.
